NAIL REPAIR TREATMENTS

IBX Nail repair and strengthener	£10
----------------------------------	-----

Intense nail repair treatment used to improve nail plate integrity. Also used to target natural nail imperfections and weaknesses that prevent natural nails from growing long. IBX Nail repair can be applied on its own or under nail colour.

CND Rescue Rxx manicure	£25
-------------------------	-----

A highly effective treatment with jojoba oil and keratin proteins that bond to the natural nail and help strengthen and restore moisture. With continued use, RescuerXX is clinically proven to reduce peeling and white spots for healthier, more beautiful nails.

Includes shape, cuticle work, hand massage and a bottle of CND Rescue Rxx 3.7ml.

Footlogix Pedicure	£40
--------------------	-----

This professional use only product is sprayed on the feet and toes and provides an instant softening treatment for calluses, toenails and cuticles. This non-aggressive formula does not need to be washed off and will continue to hydrate after the treatment is complete.

OPI Gel Break Manicure	£24
------------------------	-----

A 3-step system designed to restore nails back to health after damage from improper application or removal of gel polish. OPI's Gel Break Restorative System helps nails appear healthy and rejuvenated – in just one week.

OPI Gel Break Pedicure	£38
------------------------	-----
